North Hertfordshire District Council election Letchworth East Ward

Over the last twenty years as a councillor for Letchworth East I have gained a great deal of experience and understanding of what the people of Letchworth think and feel and, through my work within the community and on various committees, I have tried to represent all electors in Letchworth East.

As Chairman of the Finance Scrutiny Sub-Committee, I have tried to ensure that the Council gives value for money, conducts its affairs properly and does not waste council tax-payers money. This Committee regularly scrutinises quarterly revenue and capital budgets, the corporate business plan and the procurement strategy along with many other financial matters.

I have served on many committees over the last thirty years: governing bodies, Parent-Teacher Associations, Citizens Advice Bureau. I am a trustee and committee member of the Centre for Voluntary Service and of Mrs Howard Hall, as well as Chairman of the Executive at the Howard Garden Social Centre where I also help to raise funds and organise events.

I am also Chairman of a volunteer steering group who are setting up a 50plus forum. The hope is that this forum will encourage older people to help make a change by providing opportunities to keep active, stay sharp, get involved and be informed.

At the Council I have proposed motions to protect services which I felt were important to North Herts and, during budget workshops, I have spoken on behalf of staff and constituents to protect services that were being considered for cuts.

If elected I will continue to fight for more affordable housing, exercise equipment in our parks to help keep us fit, the reinstatement of Dial-a-Ride, and will continue to badger the highways department to improve maintenance of our roads.

Thank you for your support in the past. I hope with your help on May 6th I can continue to work on your behalf.
