

Labour

WORKING FOR YOU AND YOUR COMMUNITY

HOUSING

Labour recognises there is a growing housing crisis in North Hertfordshire.

Labour will insist that new developments include affordable and social housing - and ensure that proper facilities such as schools and doctors' surgeries are in place.

COMMUNITY

Labour will continue to support voluntary community organisations as well as provide support for community halls and community centres.

Labour will ensure there is proper use of "community money" raised from planning agreements between the council and developers.

Labour will continue to work with our county councillors to ensure the best use of locality budgets to help each of our communities.

SAFETY

Labour recognises the need to build inclusive and tolerant communities and will ensure support is given to our elderly residents in their efforts to retain a quality of life during later years.

Labour will make sure the police keep in constant touch with residents over concerns about safety.

THE ECONOMY

Labour is committed to ensuring that all council services provide value for money.

Labour will continue to encourage economic development across North Herts.

Labour will support initiatives to give our town centres a vibrant future.

ENERGY

Labour is concerned about issues surrounding climate change and will insist that all new developments include energy efficient plans.

Labour will support the bulk-buying of solar power systems and encourage schemes for the collective purchase of low-cost energy.

YOUNGER GENERATION

Labour is committed to working with young people and providing support.

Labour will continue to support youth organisations and groups across North Hertfordshire.

Labour will strive to create opportunities for young people and give support in creating more apprenticeships to ease the problems of unemployment.

LABOUR ACHIEVEMENTS

LABOUR councillors work all year round and are committed to helping you and your community.

Labour is proud of its achievements.

These have included:

- campaigning for the re-cycling of plastics
- putting pressure on Herts County Council to introduce 20mph speed limit zones in residential areas and in the vicinity of schools
- campaigning to see the appointment of an economic development officer
- support for community centres and voluntary organisations

Vote Labour on Thursday 22 May (POLLS OPEN 7AM - 10PM)
